Office financial and controlled prescription Policies

1. All Payments and balances are due at time of service
2. New Patient must leave a deposit of \$95 to hold appointments to cover no shows fees. If appointment is missed the deposit is used to cover the no show fee. Otherwise it is a credit which is used for copays and deductibles.
3. There is a \$95 no show fee applied if you fail to show and do not call 24 hours before the appointment. This fee is applied to your balance by our billing department and cannot be negotiated.
4. All outstanding balances must be paid in full before receiving continued medical care.
5. You are responsible for ensuring your insurance on file is correct. If incorrect insurance is billed you are responsible for the visit fee at the cash rate. Your new insurance will not be billed for this visit retroactively.
6. If your insurance denies the claim for any reason you are responsible for paying the full price of the office visit.
7. If you cannot pay your balance you can request to set up a payment plan which must be paid off in 30 days. Additional fees will be applied to outstanding balances not paid in timely manner.
8. We refer delinquent accounts to an outside collection agency. If it becomes necessary to refer your account to a collection agency, an administrative service fee of \$25.00 plus a collection fee of 50% of your balance will be assessed to your account.
9. Weight loss visits will not be billed to your insurance and will incur an additional visit fee of \$150 due at time of service.
10. All request refills on controlled substances without an office visit will incur a \$20 service fee for the controlled prescription.
11. All patients must be seen within 90 days for a controlled refill. An office visit is required by law every 90 days for continued

prescribing of any controlled substance this can be virtual until December 30th 2026.

12. You are required to submit a urine sample at each in office appointment for ongoing narcotic and stimulant use. The fee for this is \$25 and is not covered or billed to your insurance.
13. All narcotic prescriptions will be given for 7 days only with the exception of chronic pain. If you require these medications for chronic pain you will be referred to pain management.
14. It is up to the pharmacist regarding actual dispensing of the controlled substance quantity and timing of refill
15. No early refills on controlled substances
16. If prescriptions for controlled substances are lost or stolen a replacement prescription will not be given.
17. Controlled substances include stimulants, sedatives, anti anxiety and narcotic pain medications.
18. Wellness visits include a physical exam with breast , pap and pelvic exam for females and full body exam for males no prostate exam.
19. Your wellness includes ordering of imaging referral to colonoscopy and ordering of labs. It does not include resolution of non wellness related problems . A separate office visit must be made to address non wellness issues. Insurance companies often will not pay for an office visit with a wellness.
20. If you are rude to the staff or the provider due to an issue over any of these policies you will be discharged as a patient after 30 days .
